Head's Message

There has been a hive of activity at Ark Conway this week and we are showing no signs of slowing down in the run up to the summer holidays!

At the weekend, we hosted our annual Summer Fair led by the Parent Forum. Whilst the sun shone, children from Conway and the local community enjoyed bouncing on the bouncy castle, creating slime and building lego, amongst other things. It was amazing to see our new playground space being used to its full potential! We would all like to say a huge thank you to every parent and child who was involved in setting up (and tidying away) this brilliant fair!

There have been multiple trips this week with Year 1 visiting the V and A museum on Monday and Year 2 visiting SeaLife on Wednesday. Thank you to all our parent helpers who volunteered their time to join us on these trips.

This week has also seen a first ... Ark Conway's first trip abroad! This week Year 6 have been in Normandy, France. They have visited many locations, including the D Day landing beaches, a French market, the Bayeux Tapestry and even a goat's cheese farm. Their behaviour throughout has been incredible and has assured us that this trip should go ahead every year! Follow us on Facebook to see what they have been up to.

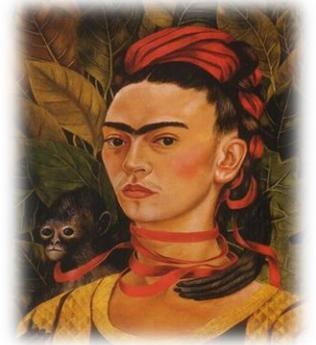

Next week is Arts week and we are looking forward to the Talent Shows - see the dates and times of these shows below. We are also putting on a singing show with the parent band on Tuesday, which we would love you all to come and watch.

Have a wonderful weekend and enjoy the camping if you are going!

Notices

Active Travel

We are setting out to reduce the use of cars when travelling to and from school. With our small catchment area, it is possible for almost every child to walk, cycle or scoot to school. As the weather is so lovely, it is a perfect time to start this, if you aren't already.

Club and Trips Payments

As the term draws to an end, it is important that all payments are made in order to avoid any debt being carried over into the next academic year. Please use Wisepay to ensure you have paid for all after school clubs, breakfast club and after school care and any trips your child has been on. We would appreciate you making these payments as soon as possible so that they can be processed before the end of term. Thank you.
