Head's Message

What a week it has been for Ark Conway! Coming back from our Easter holidays, we returned to many new additions to our school.

On Tuesday, we opened our new building which I am thrilled to say is now complete! This has meant that we now have an extended playground and also our beautiful school hall, with its inspiring views of the library dome. We have also opened 'The Conway Kitchen', enabling us to provide our children with fresh, healthy and exciting food every day.

Today, we had our very first whole school assembly in the new hall and it was brilliant to be joined by our Parent Band who played the school song for us. We also awarded a 'Super Star of the Week' for a very special gentleman who has worked extremely hard to ensure our new school building is up and running and safe for our children ... the wonderful Mr Fara!

I look forward to many happy times with you all in our completed school.

Have a great (and hopefully sunny) weekend!

Notices

Conway Spring Picnic

On Tuesday 1st May, we will be hosting an Ark Conway picnic in our new playground. Children should bring in a packed lunch. Please ensure that it is healthy and nutritious, as we do not allow fizzy drinks, chocolate or sweets. If your child is eligible for Free School Meals, the school will provide your child's packed lunch.

Scooter and Bike Parking

A new addition to our new playground is our scooter and bike parking area, this is located under the sheltered undercroft section of the building. This parking is now in use so please do park any scooters or bikes here. We would also like to remind you that scooters and bikes should be dismantled prior to entering the playground.

New Gate

As we mentioned in the letter sent home earlier this week, we will be using our new gate from Monday morning onwards. This gate is located on 'The Curve' side of our building and we will no longer use the Hemlock Road gate.
