

Head's Message

And so, we reach the end of another academic year at Ark Conway! This time, however, is the first time we say goodbye to a Year 6 class. Seven years ago, these children walked through the gates of our school, making them the first class to begin a remarkable journey at Ark Conway. As they progress into secondary schools, I'm sure sure you will join me in reminding them to achieve their dreams and, above all, to strive for true happiness in their lives.

This year has been filled with an incredible amount of success for the whole school. This includes our outstanding academic achievements in all year groups, including our phonics, Key Stage 1 and Key Stage 2 results.

We have shone during Ark network events, such as football competitions, singing festivals and debating competitions.

We have also been on a staggering number of trips, including not one, not two but three overnight trips.

On top of this, we have opened the hugely successful 'Conway Kitchen', which has received such positive feedback.

We couldn't have done any of this without our very special Conway community so I'd like to sincerely thank our children, our staff and every single parent and carer for your incredible contributions.

Have the most wonderful summer holiday and we will see you on 5th September at 8:30am!

Attendance

This week the attendance figures are:

| | | |
|-----------------|----------------|--------|
| 1 st | Austen | 96.77% |
| 2 nd | Dahl & Carroll | 96.55% |
| 3 rd | Dickens | 96.3% |
| 4 th | Potter | 95.67% |
| 5 th | Lewis | 94.14% |

Summer Holiday Ideas

With 6 weeks of holiday ahead of us, please find some suggestions below of how your child could spend their time:

- Read a book and create your own play of the story.

- Create art using

household objects such as dry pasta, cotton wool and sponges. Or create 'big art' in your garden or the park using things found in nature such as branches and fallen petals. Take a picture to show us when we come back to school.

- Visit one of London's many free museums, such as the V and A or the Natural History Museum.

- Create a treasure hunt in your house or local area.

- Research a key person from history who has achieved something inspirational.

- Practise your sports skills with friends in the park. Whatever you choose to do, have as much fun as possible.
