

Head's Message

This week we had not one but two Sports Days! Each class took part in a range of races, including running, skipping and even challenging obstacle courses! It was fantastic to see how joyful children were, not only when they did well but when their friends did well too. These events are always a wonderful opportunity to see all five of our school values on show. We saw perseverance as children challenged themselves to keep pushing themselves in every race, aspiration as they aimed to do their very best, respect as they congratulated their friends, happiness at all times and honesty when helping teachers to identify who had won! It was also great to see so many parents, carers and family members cheering on the children. Thank you!

On Wednesday we were visited by local authority moderators who evaluated the assessment judgements we have made in KS2 writing. We were thrilled that they agreed wholeheartedly with our judgements and that they felt we had no areas for development.

Next week, some Year 5 and 6 children will be taking part in a cycling scheme, Bikeability. This is the perfect time for us all to endeavour to walk/cycle or scoot to school!

Have a lovely weekend.

Home Learning

Reception: Pay for something using real money! Please upload a Tapestry video so we can watch this in school!

Year 1: This week we learnt how to write multiplication equations! Use objects at your home to make equal groups: (e.g 4 groups of 2 apples) and write an equation for it ($4 \times 2 = 8$).

Year 2: Which materials in your home float and which sink?

Year 3: If you were going to support a charity which one would it be and why?

Year 4: Collect any fabric scraps at home for us to make a class quilt. Research fantastic fashions from the 20th Century! Pack for our trip to Bath!

Year 5: What else can you find out about Anglo-Saxon village life, that will help us build our model village?

Year 6: Learn your lines for your upcoming production of School of Rock!
