Head's Message

It finally appears that Spring may have arrived and the children of Ark Conway have certainly had a 'spring' in their step this week!

The whole school took part in raising money for Sport Relief this week, by taking as many steps as they possibly could. We are following this by having our annual School Disco. I'm sure you will join us in thanking our wonderful Parent Forum for arranging this fantastic event!

In addition, the children in Carroll Class also found time to visit London Zoo this week. They met a wide range of creatures, a lovely way to round off their learning about animals this half term.

Wishing you all a lovely (and hopefully a relatively warm) weekend.

Year 6 Residential Trip to France

All parents of children in Year 6 should have received a letter about the residential trip to France in July. If you have not, please let the Front Office know.

We are hugely excited about this opportunity for the children of Ark Conway and want to ensure that every single child attends this memorable trip. If you have any questions please do get in touch with Ms Mitchell or Mrs Shah at the Front Office, who will then pass your message on to Mrs Ross-Wood.

Mrs Ross-Wood will also be available at 8:30am on Thursday 29th if you want to pop into school to ask any questions you may have.

Sport Relief

We have been raising money for Sport Relief today and it has been great to see children dressed in their sporty clothes! Children demonstrated our school values by aspiring and persevering to walk as many steps as they possibly could, as part of the Sport Relief Billion Steps Challenge!

Book Donations – Thank you!

We would like to say a huge thank you to all parents who donated books to our new school library. We have received a large number of books and they are in fantastic condition! Thank you for

your support in helping us to create our renovated library for the whole school community.
