## Head's Message

We have been enjoying the beautiful summer weather this week, with a number of outdoor activities!

Throughout this week, many children in Year 5 and Year 6 have been participating in cycling workshops to build their awareness of keeping safe when cycling on roads, for example when cycling to school. This is a great time to ensure we are all walking, cycling or scooting to school whenever possible.

Yesterday, children across the school joined other Ark School for the annual football tournament. The children played extremely well, with our KS1 team winning first place in their competition and our KS2 team coming second place in theirs!

Today, our Year 5 children have taken part in the Phoenix Academy Year 5 Sports Day, providing them with a great opportunity to use Phoenix's resources and seeing more of the school, as well as spending time with Year 5 children from other local schools.

The other stand out event from this week was our production of 'School of Rock!' The children of Year 6 put on a simply spectacular show, with the incredible support of a Year 5 chorus. Well done to all the children and a huge thank you to the teachers and parent band!

Have a delightfully sunny weekend and I hope to see you all tomorrow at the Summer Fair!
