Head's Message

We have been busy living the value of perseverance this week. It's clear that many children have demonstrated high engagement and perseverance through their Home Learning as the outcomes so far have been exceptional! Many high quality examples can be spotted on display as they are just too good to hide away! Let's strive to maintain such high levels of effort and participation throughout the academic year.

This Sunday marks the start of Black History Month. Throughout October we will be celebrating extraordinary contributions of Black and Minority Ethnic communities. There are a variety of Black History Month events taking place in London, many of which are listed at <http://www.blackhistorymonth.org.uk/listings/region/greater-london/>.

Enjoy the weekend, see you on Monday!

Year 1: Can you make an addition sum story and write the equation? (e.g. There were 3 rabbits in the burrow and 6 rabbits playing in the field; $3 + 6 = 9$). Draw a picture to help!

Year 2: Who are people that help in your community?

Year 3: You are visiting Athens for your holiday. What would you like to see there?

Year 4: Home learning: Second list on the spelling sheet. We will be writing water diaries in two weeks time, can you list ways that we could save water at home and school and present them creatively? We'll use them to help our writing.

Year 5: Choose a rainforest other than the Amazon to research – What are the similarities? What are the differences?

Spellings - i before e, except after c.

Year 6: How is longitude and latitude used to navigate? How was it used in the past.
