Headteacher's Message

Inspiring Excellence... around the World!

Yesterday we welcomed to ARK Conway a party of delegates from the Supreme Education Council in Qatar; they had heard and read a lot about our school and wanted to visit us.

The party were very interested in the high attainment and progress of pupils and commented on how impressed they were by our approach.

On Sunday ARK Conway, and our approach to education was mentioned in the Observer. The Policy Editor, Daniel Boffey, visited last week and was obviously impressed with what he saw.

You can read the full article at <http://www.theguardian.com/education/2014/apr/05/free-schools-what-works>

Finally... This term has been another incredibly successful one; the staff and pupils have worked incredibly hard and are achieving excellence in all areas of learning.

I hope you have a great holiday. We look forward to seeing you in two weeks for our third and final term of the year!

Buildings Update

It was great to see so many parents have a look at the new building plans on Wednesday. We now have a date for the formal community consultation. Your support and attendance at this will be invaluable towards the building application. This will take place on:

Thursday 1st May 5 – 7pm in the school hall.

Some of our Spring term highlights...
