Head's Message

We have recently been looking very carefully at our Creative Arts and our Sports, Health and Fitness provision. Kite Studios have been with us during our Thursday Arts curriculum for the past fortnight and the children have produced some wonderful work.

Reception class and Year 2 are currently enjoying their summer term of swimming. To supplement our KS2 Sports curriculum, next Friday **Year 3** will be having extra Sports education at Ark Swift Primary Academy. This will enable them to use the skills they have been learning in sports and put it into small team games. We will follow this up with another session two weeks later on Friday 22nd May. All Year 3s will need their **PE kit** in school next **Friday 8th May**, which will be worn during the afternoon. Could I also take the opportunity to ask for parent volunteers to help escort the Year 3 class to Swift for their sports session?

Everyone, have a great Bank Holiday weekend, and we'll see you at 8.30am next Tuesday for a four day week!
