Head's Message

What a fantastic week we've had with a real focus on reading and books culminating with our 'Book Character' day and Year 2 assembly.

Thank you to everyone involved: to all our parent readers; to Ms Sadgrove for the amazing 'Charlie and the chocolate factory' cake; and particularly to Miss Baker for organising all the events. Well done to Dahl Class on finishing our 'World Book Week' with their wonderful assembly. I will be watching it on video this weekend!

A favourite part of the week has been 'Drop Everything and Read', with the whole school falling silent between 8.40am and 8.50am every day whilst teachers and pupils alike have been silently reading their favourite books. I'm sure parents might enjoy trying this at home!

Thank you so much to the Parent Forum who have enabled every class to choose several new books for their classrooms. Children voted for their own class books together and they all arrived during the week and are now in classes being avidly read.
