

## Head's Message

Another exciting week, with an excursion to the London Transport Museum for Year 1, and a number of children from Years 2, 3 and 4 taking part in the Ark Primary Sports Championship at the Linford Christie Stadium! These children worked as a real team and showed respect for each other and all the other competitors.

We have been thinking about rights and responsibilities, linked to our value of respect, and have been learning about the Universal Declaration of Human Rights. Thank you to the three Year 2 children who helped in assembly to explain this today and the Year 1 children who sang such a lovely song!

## Notices

### Year 1 Trip to the London Transport Museum

Year 1 pupils really enjoyed their trip to the London Transport Museum on Tuesday. This was part of the Challenge Curriculum and the children consolidated their learning for last term on the topic of Transport. Everyone was very impressed with the children's extensive knowledge of the topic.

### Sports Championship

18 boys and girls from Years 2, 3 and 4 spent the day competing for our school at the Ark Schools Athletics Competition at The Linford Christie Athletics Stadium. They competed in events including a 60m sprint, the long jump and an obstacle course. They all worked incredibly hard and showed amazing team work in completing the relay races in their year groups.

## EYFS News

This week, we have created our very own paper dolls. We wrote stories about our new characters and learnt the meaning of 'paragraphs'. In Maths we have enjoyed combining groups of pirate treasure. Thank you to all parents who uploaded such helpful observations onto Tapestry about their half term adventures! If you have an observation that you want to upload, please do so by the end of next week, as we will be exporting the journals by 1<sup>st</sup> July 2016.

NOTE: Our 'CARROLL CLASS GRADUATION' ceremony will be at 9.30am on Wednesday 13<sup>th</sup> July 2016. Please pencil it in your diaries as it will be an exciting celebration of all the topics, songs and facts we have learnt over the Reception year.

Next week we will be moving onto 'The Pirate Cruncher'. Ideas for home learning: You could write a letter to post in a bottle, you could draw/design your very own pirate cruncher, you could show me your treasure chests full of gems and count how many you have altogether.

**Reminder: Please ensure spelling books are returned in your child's book bags on a Friday for children to complete their spelling tests. This week over half the spelling books were missing from book bags, and we couldn't complete the spelling test for all children.**

Have a great weekend,

Mrs Hyslop and the EYFS team
