

Head's Message

Well done to everyone for all their hard work this week; particularly Year 4 for their incredible assembly. The cooperation and level of independent learning happening in Key Stage 2 is outstanding, and teachers, parents and children should be very proud.

All children have been taking part in assessments and have had some well-deserved down time in between.

Years 1, 2 and 3 took part in drama workshops on Thursday afternoon. Their levels of engagement and creativity were exemplary and their enjoyment was very obvious.

We are finishing the week with our very first Cake Sale. Thank you to everyone involved, particularly Carroll Class parents. I'm sure it will be enjoyed by all and consumed very quickly!

Home Learning

- Reception:** Please complete your Proud Book.
- Year 1:** What can you find out about Autumn?
- Year 2:** How can we save the Polar Bears?
- Year 3:** What do you think our age will be called when people look back on it?
- Year 4:** Please make a poster about what you know about Victorians, try to not look at any notes!

Composer of the week

Next week, our composer will be:

Louis Armstrong

Attendance

This week the attendance figures are:

1st	Lewis	99.03%
2nd	Potter	98.28%
3rd	Dahl	97.67%
4th	Carroll	97.24%
5th	Dickens	96.33%

Stars of the Week

For modelling the value of respect, our stars this week are:

Ezra

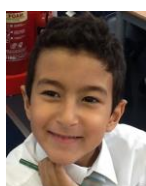

Sophie

Arthur

Mackenzie

Yassin

Oliver

Janna

Robel

Joseph

Jazmine

Notices

Friday 23rd October: Year 2 Assembly

Friday 23rd October: Phonics Workshop from 9:00-9:45am

Wednesday 11th November: Parents Forum meeting 7-8pm in the School Hall

Celebration Assembly

23rd October: Reception, Year 1 & Year 2 parents

EYFS News

This week, we have been continuing to learn and practise our target text 'So Much'. In Maths we started discussing Units of Measure, such as length, size and weight. We have also been exploring 'Autumn' and have been looking at the changing seasons. We had lots of fun at Forest School collecting sticks, and comparing lengths to make our stick families. Thank you to Oliver's Mummy for accompanying us this week. As a treat for all their hard work (and an opportunity to assess their physical development) we will be going to the playground next Monday during our Forest School outing, weather permitting. Next week in literacy we will be learning a simplified version of 'Goldilocks and the Three Bears'. We will be comparing the size of the bears in Maths (bigger, smaller, biggest, smallest, medium-sized), as well as discussing volume and capacity (empty, half-full, full), while we prepare and make more porridge for the hungry bears. A copy of our story can be found in your child's book bag. If you would like to, you could read this story together at home and practise some of the key refrains.

Ideas for Home Learning: You could write a recipe together for making porridge, or write a list of ingredients. You could cut some strips of paper and practise ordering them by length. You could compare toys, and discuss which is the heaviest and which is the lightest. Have a great weekend!

Mrs Hyslop & the EYFS team
