Headteacher's Message

Sport, Shakespeare, Music and a fond farewell

This week has been another eventful one.

Sports day was another incredibly successful and fun packed day. Our Reception, Year 1 and Year 2 pupils performed their own special version of 'A Mid-Summer Nights Dream' (which will be rerun on Monday at 3:30pm for anyone unable to catch it first time round) and today in celebration assembly we were joined by the fantastic parents band to wish a fond farewell to our founding teacher.

I'm sure parents will join me in wishing Miss Clements all the best for the future; and we would like to thank her for her time, effort and talent. She has redefined 'excellence' and the Conway Reception class continues to grow from strength to strength.

Finally; in what has been another incredibly successful year for the school, I'd like to draw parents' attention to the Buildings Update letter

attached. This gives more information on where we are with the buildings project and explains reasons for the delays thus far.

Have a wonderful summer, please remember that school finishes on Tuesday at 1:30pm.

Year 2 Overnight Adventure

We hope Dahl class are looking forward to their overnight adventure on Monday evening. Please note that Year 2 children will be wearing their own clothes, the ones that they arrive in, on the Tuesday too so there is no need to bring uniform.

KS2 (Year 3 uniform)

Pupils who are moving up into Year 3 have new senior ties and backpacks instead of the elasticated ties and book bags. These are compulsory items and should be purchased from school before the summer holidays. Ties are £4 and backpacks are £12. We recommend practising tying the new tie over the holidays!
