Head's Message

We're well and truly in the summer weeks now and have been enjoying the warmer weather and the chance to take learning and play outside. Our sports day at Linford Christie Stadium and annual football event are on the horizon, as is our end-of-year overnight stay for the Year 2 class. Full details will be with you shortly; this is an amazing opportunity for children to celebrate their hard work and graduation from Key Stage 1, and also to enjoy special time with their peers and teachers.

In the meantime, our assessments are underway and I can confidently say that our outstanding levels of progress and attainment are continuing, with results this year set to yet again lead the way in primary education. We're very proud of both children and staff who are all working so hard to realise these incredible achievements.

Have a great weekend, everyone... don't forget the four day week for pupils next week!

Composer of the week

Next week, our composer will be: **Paul Mealor**

Attendance

This week, the attendance figures are:

1 st	Lewis class	100%
2 nd	Carroll class	99%
3 rd	Dahl class	97.7%

Celebration Assembly

Celebration assembly remains an important and favourite part of our school week and we always look forward to welcoming parents into school. Please take note of the following dates and we hope you can join us.

26th June – No assembly (INSET day)

3rd July – Year 2 and Year 3 parents

10th July – Reception and Year 1 parents

17th July – Year 2 and Year 3 parents

INSET day

Please be reminded that school will be closed on Friday 26th June due to a staff training day.

Parking outside School

Please be mindful of local residents when driving and parking near school as we have received some complaints regarding how cars have been parked outside school. If you must drive, please ensure you park in a legally allocated space, and not on the yellow lines.

However, we hope that you can use the rest of this summer term to enjoy walking, scooting or cycling to school and leaving the car at home altogether! It is a great form of exercise and good for the environment too.

We have been talking to pupils this week about how rights and responsibilities work alongside each other and we encourage you to demonstrate responsible travel with your children.

Reception Shoeboxes

Thank you to all the parents who brought in shoe boxes this week. Reception have made explorer scenes and created an impressive art installation about their expeditions.
