### Headteacher's Message

#### Thank you!

As we progress through the summer term and near the end of the academic year, children are working extremely hard in class and accomplishing incredible things. This week, Year 1 have completed their phonics screening and Year 2 have been working industriously on their SATs. Every single child is performing well above national averages and we should all be very proud of the achievements of our children.

Alongside this academic perseverance, we have many exciting events happening as the year starts to draw to a close, the first being the Mad Hatters Tea Party this afternoon. Huge thanks must go out to all parents and all staff who are working arduously to ensure that all of these wonderful things happen successfully. Our school would not be the school it is without every one working together and everyone's hard work and perseverance!

### **Parent View**

Every year, we ask parents to complete an online survey so that you can share your views about the quality of education that your child receives at ARK Conway. We would really appreciate it if you could take five minutes to visit the Ofsted Parent View website, even if you filled it in last year. The survey is public and a really important tool for us to evaluate how well we are doing. Thank you.

### **Football Tournament**

We are looking forward to the annual football tournament on **Wednesday 2<sup>nd</sup> July**. This year it will be held at ARK Bentworth and we have a fantastic team of 23 enthusiastic footballers who have volunteered to play for ARK Conway.

We welcome spectators! If you are available, please make your way to ARK Bentworth at 4:30pm for an exciting hour of football. It will be lovely to have some supporters cheering the team on.

### **Sainsbury's Active Kids**

Thank you to everyone who supported us with our collection this year; it has been a big success! This year we managed to collect **2767** Active Kid's Vouchers and we are looking forward to getting some new equipment for the playground including a Velcro® target, a giant crossword puzzle, games cards and more.
