Head's Message

Our value this week has been aspiration and I really have seen aspirational goals being achieved, which has been a credit to the pupils and teachers who have all worked so hard! Carroll class in particular have risen to the responsibility of looking after the chicks and progress across all subjects in all classes has been outstanding.

We are on target to achieve the same sort of impressive levels of education as in previous years and I am excited about next half term's events and seeing children's progress.

Thank you so much to the Parent Forum who have again surpassed all expectation by raising £178 at the Disco last Friday. I'm sure everyone had a great time, and the planning, time and effort put into it is much appreciated.

I am sure that it may not be a surprise for many of you but I am very pleased to announce that Mrs Osborne is expecting a baby in September. I look forward to sharing the class teams for next academic year with you after the half-term holidays.

Have a great holiday!
