Head's Message

Have a great Easter!

It's that time of term again, when we are looking back on all that we have achieved over the past few weeks, and making exciting plans for next term. We really have had an action packed half term with a wonderful Book Week, an engaging Science Technology Engineering and Maths week, a fun Comic Relief day, a solar eclipse, and all culminating in a super assembly from Year 3 today which put a huge smile on my face.

The STEM week was particularly successful, as children worked collaboratively to investigate and answer questions around their topic and read a linked class text to support their writing. As children progress through the school we aim to encourage independent learners with 21st century skills which will enable them to be successful in any line of work they aspire to.

This will be the final newsletter of the spring term and so I wish everyone a very Happy Easter holiday and look forward to seeing everyone bright and eager to learn in the summer term.

Stars of the Week: Aspiration

Jacob Hattie Anna Joe

Hannah Nathan Sunshine Jazmine

Attendance

This week, the attendance figures are:

1 st	Lewis class	98.7%
2 nd	Carroll class	98.3%
3 rd	Dahl class	95.8%
4 th	Potter class	92.3%

Notices

Afterschool Clubs

Please be reminded that although there is afterschool care and breakfast club next week, there are no clubs.

New booking forms for summer term clubs are due in on Monday. There are spare copies in the school foyer.

Parents' Evening

We are looking forward to Parents' Meetings next week. Please check your time on the sign up forms in the foyer.

Monday 30th March: Reception and Year 1

Wednesday 1st April: Year 2 and Year 3

Potter class

Potter class enjoyed their last swimming lesson this week, as there is no lesson next week. They can look forward to their next lessons in Year 2!

Year 1 will also be visiting a Mandir on Wednesday: please remember your packed lunch and drink.

WisePay menu

The new summer menu is now on WisePay so please take a moment this weekend to order your child's lunches. The deadline for ordering for the first week back after the holidays is **Wednesday 1st April.**

Home Learning

Year 1: The topic for next half term will be Ancient Egypt. Please do some research and pre-learning and find out one really interesting fact to share in class next term.

Year 2: African animal research

Over the Easter holidays find out as much as you can about an animal of your choice. Come back in summer term with ideas for a fantasy story (examples of a fantasy story are 'The lion the witch and the wardrobe', or 'Alice in wonderland').

Year 3: Lewis Class should make persuasive notes that they will use in a video next week to convince tourists to visit London.

Next half term the topic in Lewis Class will be The Romans. Please do lots of research and pre-learning and find out as much as you can about Ancient Rome and the Romans.

Term Dates

This term finishes at 1:30pm on Thursday 2nd April. Please ensure your child is collected promptly. The children return after the holidays on Tuesday 21st April. (It will be a P.E day so don't forget to wear your kit!)
