

Head's Message

Time is flying by... we are already almost half way through this half term; a crucial time for all our children's learning as we near final assessments and head towards the end of the academic year! Now that the mornings are light and sunny, children (and adults) are coming to school with a spring in their step and we are able to have more time outside and are planning more exciting trips and visits.

Well done to Dahl Class who won the Punctuality Trophy this week due to their dedication to arrive in school on time and ready to learn.

Have a well-deserved Bank Holiday Monday everyone, and we will see you bright and refreshed on Tuesday morning.

Notices

Parking outside School

Please be mindful of local residents when driving and parking near school as we have received some complaints regarding how cars have been parked outside school. If you must drive, please ensure you park in a legally allocated space, and not on the yellow lines.

However, we hope that you can use the rest of this summer term to enjoy walking, scooting or cycling to school and leaving the car at home altogether! It is a great form of exercise and good for the environment too.

QPR Holiday Football Sessions

QPR are running weekly and holiday football sessions at the brand new Play Football site in Shepherds Bush. Available to boys and girls ages 3-11 years old, these sessions are the perfect way to take part in sport outside of school hours. Qualified QPR coaches will deliver all of the sessions, and for any gifted and talented players QPR will provide pathways into Development Centre's and the Academy. For information or to book a place visit www.qprsoccerschools.co.uk

EYFS News

This week we have 'bean' mad about plants! Children have written instructions, potted their broad beans, decorated their pots and watered them. In Literacy we have started learning Jack and the Beanstalk whilst inventing new instructions and imagining what our new beans might grow into.

In Maths we have been measuring our caterpillars and beanstalks whilst discussing length. We have also been re-visiting capacity whilst watering our plants.

Next week we will be focusing on the Giant, and writing apology letters to him for stealing his hen and golden harp.

Ideas for home learning: You could practise writing a letter and spelling 'Dear'. You could gather some old clothes and pillows to make a giant. You could write instructions for planting something magical, or for making your giant.

Notice: Please continue to practise independent dressing with your child.

Have a lovely weekend,

Mrs Hyslop & the EYFS team
