ARTS WEEK

We are finishing our Arts Week on a high today after a spectacular gallery this morning and a musical performance by the Parents' Band and all 90 children. The song has been written by our very own children with the support and coordination of one of our parents, Emily Phillips.

Thank you so much to every person who has contributed to our much anticipated and thoroughly enjoyed Arts Week... Clare Fuchs, Catriona McKenzie, Lucy Wilkins, Nick Lambrianou being just some of the people who have run workshops; such a valuable and integral part of the timetable.

Children have enjoyed working with our focus painting 'Surprised', by Henri Rousseau, and Year 1 even managed to visit the original in the National Gallery. Other highlights have been Mrs Hyslop's shadow puppet workshops, Mickail's dance session, the Cuban Percussion and the ARK Conway Gallery. Seeing the pride and confidence with which the children talk about their work is priceless!

Thank you again to all adults who have contributed in any way, and not least of all the staff who have gone above and beyond to make the event a memorable one for all our children.
