## Head's Message

We've had an exciting week at Conway. The weather has begun to improve and that means time spent outside gets that little bit better. Some of our youngest children have been using this time to get creative in the Conway Garden, take a look at this 5 star bug hotel!

Year 3 travelled to London Zoo on Thursday. They had a fantastic time spotting different types of animals and sorting them into mammals, reptiles and birds. They were also lucky enough to catch the lion's feeding time!

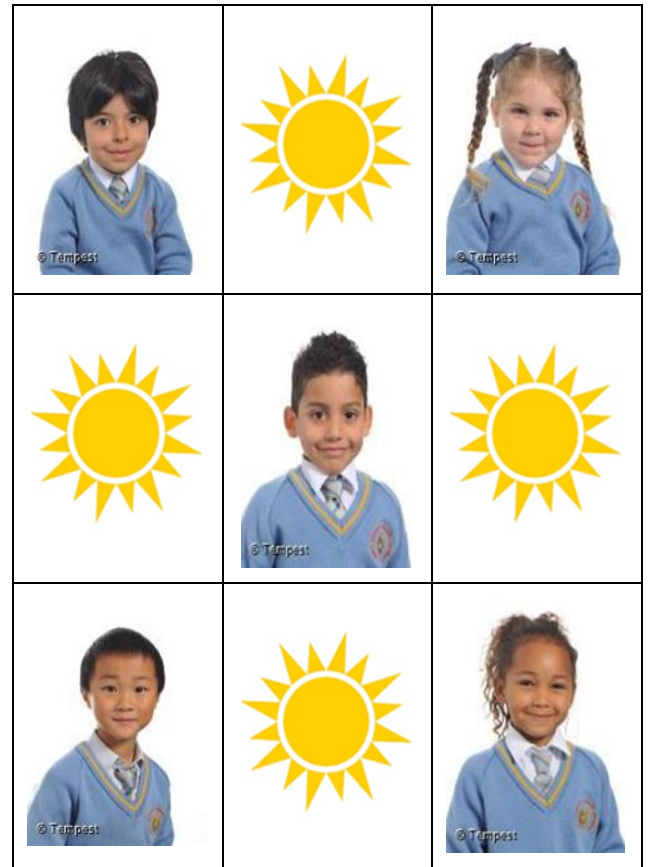

In assembly we debuted our next exciting community event via a very cool film. On June 17<sup>th</sup> there will be a sponsored 5km walk to help raise money for the school. More details will follow in a letter soon.

Finally, we have some sad news to announce. Miss Kelly has taken the tough decision to move on from Conway. She has recently been surprised by her family with two new dogs called Bruce and Reggie and she needs to be closer to home to properly look after them. We will make sure we give her a proper goodbye next Friday.

## Home Learning

Please share all completed home learning work on Seesaw. You can find more information about Seesaw by following this link: **Seesaw home learning**.

**Reception:** This week, we have been learning all about how we can help others. Can you create something for someone else, such as a card or a picture? Upload your work to Seesaw or bring it in on Friday to share during Show and Tell.

**Year 1:** We have just finished writing a five-part story (pew) Can you challenge yourself to write a lost and found story at home this weekend?

**Year 2:** This week we have been evaluating the clay pot plant holders that we made. Can you find any examples of pot plant holders in your home or somewhere else? What makes them good pot plant holders? What could be better? Present your work in any way you like and upload it to Seesaw.

**Year 3:** This week we have been learning all about pollination! We'd like you to imagine a world without bees- what would it look like? What might some of the problems be? Present your ideas as creatively as possible - this could be a picture, model, poem or other piece of writing, or any other way you can think of.

**Year 4:** What is a glyph? How did the Ancient Maya use them? Which Ancient Maya glyphs can you learn and what do they mean?

**Year 5:** Watch this [video](#) of Muhammad Ali's recipe for life. Can you write your own recipe for what you are made of? You can go above and beyond and present this using video, art, writing, presentation, or whatever creative method you choose.

**Year 6:** We have been working on our projects in preparation for Wednesday. Can you create some additional advertisements or sale materials to make your product stand out from the others? Upload to SeeSaw or bring into school.
