Head's Message

What a special week at Ark Conway Primary. I can't stop looking at the pictures from our Athlete in School day! It has brought me sheer joy to see our children working hard with their exercises with huge smiles on their faces.

Throughout the afternoon the children were led by the amazing athlete Victoria Ohurugu (Medal winning athlete at the World championships) to complete a set of sweat inducing and intense circuits.

They then went outside to complete even more physical activity. Miss Markewich led each group through an epic Zumba routine and then the children jogged over to the pitch side of the playground to complete a variety of different relay races. You can check out all the events in the pictures below.

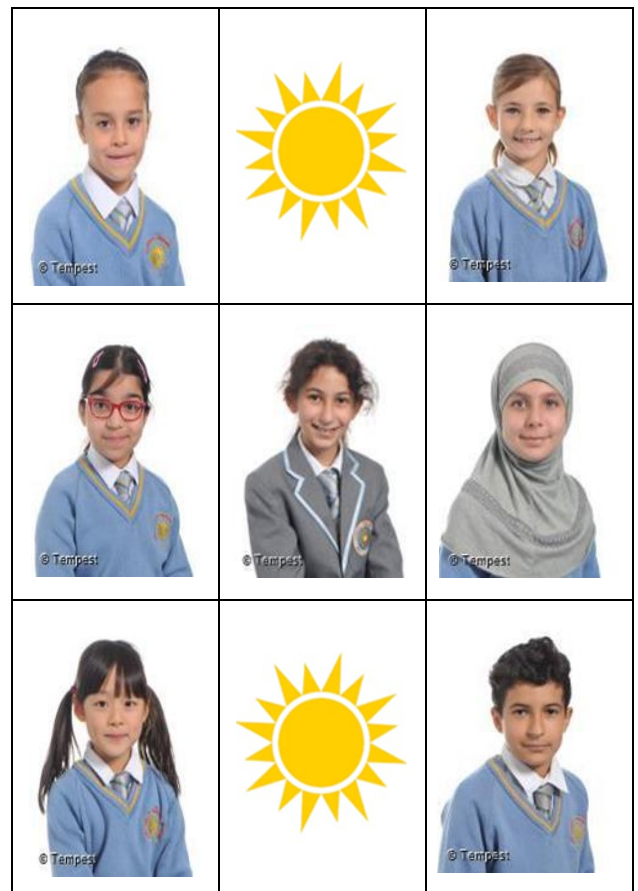

I would also like to take the opportunity to thank the wonderful Miss Clark for organising this excellent event, the children adored every minute! And finally, a massive thank you to everyone who donated money to this event. It will have a big impact on the children's PE experience at Conway.
