## Head's Message

On Wednesday, our Year 4 and 5 students went on an exciting theatre trip to see the hit musical 'Wicked'. The students were amazed by the stunning costumes and sets, and thoroughly enjoyed the catchy songs and magical storyline. The trip provided an excellent opportunity for our students to experience live theatre and appreciate the creativity and talent that goes into producing a stage show. We hope that this trip has inspired a few of our students to get on stage!

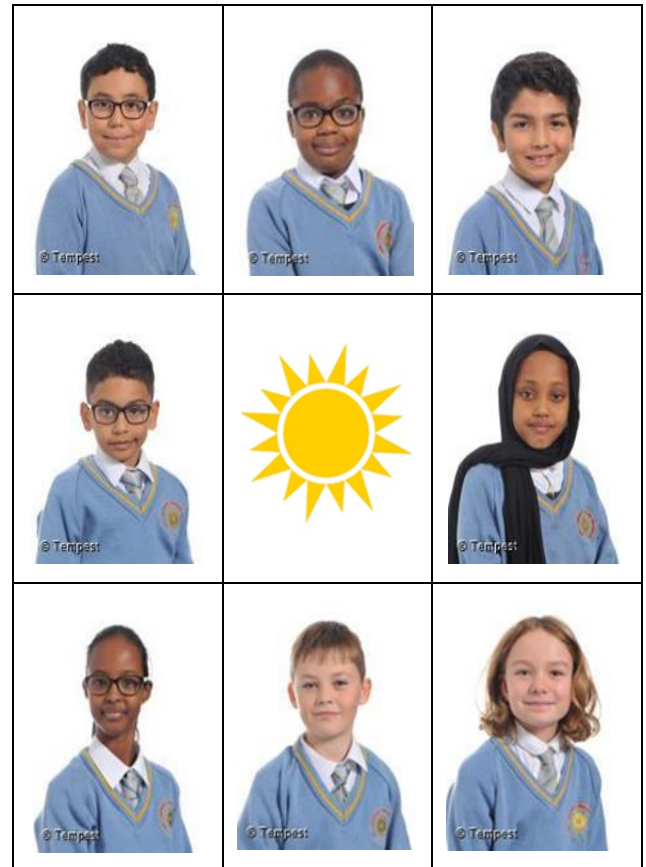

As part of our efforts to keep our school website up-to-date and engaging, we will soon be launching a new school website and with that we will be updating it with new photographs of our students in the coming weeks. These photographs will showcase the wide range of activities and events that our students participate in and will give visitors to our website a glimpse into daily life at Ark Conway Primary. Take a look at the example below!

As we head towards the end of the school year, we are sad to say goodbye to two valued members of our staff team. Miss Deinisa and Miss Mehringer will be leaving us to pursue new opportunities, and we would like to take this opportunity to thank them for their hard work and dedication to our school community. They will be greatly missed, and we wish them all the best in their future endeavours.

## Home Learning

Please share all completed home learning work on Seesaw. You can find more information about Seesaw by following this link: **Seesaw home learning.**

**Reception:** This week, we have been practicing addition and subtraction facts in maths. Using items from around your house to help, can you complete these number sentences?

**Year 1:** We have been learning about Scotland in class. Can you plan a trip to Edinburgh in Scotland for Madison

**Year 2:** This week we learnt about how important recycling is. Do you recycle at home or can you find anything that could be recycled? Take some pictures of what you find and upload them to seesaw!

**Year 3:** We have been learning about the different parts of flowering plants this week. Have a look at your fruit and vegetables at home and in the shops. What part of the plant do they come from? Present your findings any way you wish and upload them to Seesaw.

**Year 4:** Who were the most powerful and important people in the Maya civilization? Who were the least powerful?

**Year 5:** Research the Silk Road and what it might have been like to travel along it in a caravan. Display your findings any way you'd like!

**Year 6:** Can you create a poster or PowerPoint to explain how an electrical circuit works. What components must you have, and what other components could you add? When would a circuit not work? Be as creative as possible with your work.
