

Principal's Message

This week has been a perfect combination of working hard and playing hard – something we particularly see in the summer term at school!

Pupils in all classes are persevering to gain as much knowledge as they possibly can in the final few weeks of this term. There is no such thing as winding down at Ark Conway! We have seen this modelled especially well in Year 4, where pupils have recently completed the new official national **Multiplication Check**. Every single pupil showed focus and determination and I am thrilled to share that 22 pupils, almost **three quarters of the class got 24 or 25 out of a total score of 25**, with other pupils getting scores very close to this too. Well done Year 4!

In Year 5, pupils have been taking part in weekly sessions with QPR football club, practising their football skills and also engaging in theory lessons.

Year 6 have certainly been packing in the events, with a successful visit to Phoenix Farm earlier in the week and French week activities taking place throughout the week, including a fashion show and even a food tasting event!

Excitingly, this week also saw teachers and leaders carrying out home visits for our new Reception pupils who begin in September. It was wonderful to visit families and to feel the excitement that comes with such an important life event. We can't wait to welcome you all very soon!

Finally, we are thrilled to be sharing the results of the voting for our new class names with you (we will be sending a letter home next week). Families are invited to cast your votes for your favourite name for each class in the school. There are some truly inspiring people included. Thank you for all of your suggestions!

Composer of the Term

Our composer for this term is:

Florence Price

This week the attendance figures are:

1 st	Carroll and Lewis	98.89%
2 nd	Austen	98.85%
3 rd	Shakespeare	96.55%
4 th	Potter	95.98%
5 th	Dickens	95.00%
6 th	Dahl	92.70%

Dates for Your Diary

Next week...

Monday 5th July – Thursday 8th July – Arts Week

Monday 5th July – Thursday 8th July – Year 5 and Year 6 Bikeability Course

Friday 9th July – INSET Day

This term...

Wednesday 14th July – Year 2 trip to Holland Park Ecology Centre

Thursday 15th July – Year 6 Party

Friday 23rd July – Last day of term, school closes at 1:30pm.

Home Learning

Please share all home learning work on Seesaw. You can find more information about Seesaw by following this link: **Seesaw home learning**.

Reception: For home learning this week, we'd like you to research a sports competition other than

the Olympics or Paralympics. This could be for any sport. Present your findings any way you wish!

Year 1: What plants can you find in your garden or local park? Can you research them and make a fact-file for each plant you find?

Year 2: How would you best look after a plant?

Year 3: This week we learnt about the Minoan and Mycenaean civilizations of Ancient Greece. Choose one and see what else you can find out about them. Present your work in any way you like and upload it to Seesaw.

Year 4: We have been learning about landmarks in the USA. Research a European landmark. Share your findings in a creative way.

Year 5: Design an invention that uses the steam engine to power it.

Year 6: Practice the songs for our production (they have been uploaded onto Seesaw!). The children should also be continuing to learn their lines for the play.

Facebook and Twitter

Please take a look at our Facebook page 'Ark Conway Primary Academy'. You can also follow us on Twitter: @ARKConway.

Safeguarding is everybody's responsibility.

Our safeguarding policy can be found in the school office.
