## Principal's Message

Happy wintery Friday Ark Conway!

There has been a chill in the air this week hasn't there? It seems the big chill has reached our school hall too! Our Year 6 'Environment Team' and 'Display Team' set to work displaying all of the creative snowflakes that pupils in every year group have been making. We can't wait for you to see these and our fantastic 'Door Displays' tomorrow at our Winter Fair.

It hasn't been chilly everywhere though. Today, our Year 5 class were set the aspirational mission of making fire using a flint! I was thoroughly impressed to see smoke appearing from the playground (this is not something I thought I would ever say!) and it was clear how excited the children were about their mission.

Have a brilliant weekend everyone and we hope to see you tomorrow.
