Principal's Message

Happy New Year Ark Conway!

We had a wondrous start to 2022 with our half termly Wonder Day! Pupils across the school were fully immersed in their new learning with some classes dressing up and taking part in role play, using laptops to find out key information, and many classes getting creative with paint, crafts and one class even making their own 'Earth' poms poms!

As we move further into the term, I am sure many pupils will find themselves in the 'Learning Pit' as we explored in assembly today. I am confident that our value of 'Perseverance' will help pupils to do exceptional learning to help themselves and others out of the 'Learning Pit'. To inspire all pupils, we are setting a **CHALLENGE** to all pupils:

To design a poster of 'The Learning Pit' and bring it in to your class teacher by Monday 17th January.

If you would like any inspiration, do search online on your devices. If you would like to use any school resources, e.g. paper/colouring pencils, do speak to your class teacher. Happy creating!
