

## Principal's Message

Term 6 is looking to be one of our most exciting yet. Following on from the excellent events that took place last week we have had another week jam-packed full of learning and lots of experiences for the children. Year 4 are currently in Bath having made the journey from Paddington and I hear they are having a wonderful time. Year 6 have been really busy this week as well with lots of Performance rehearsing and set-building!

Years 1-6 also had a day of RE learning on Tuesday. The children's ability to listen and respect different points of view from around the world is so impressive and fills me with confidence that they will be proactive and contributing members to society from now and onto adulthood.

Year 5 has also been showing that their aspirations are particularly high, as they visited Go-Ape this week. They were able to show huge amounts of perseverance to climb trees and traverse high-ropes and ladders. It shows how hard they have worked this year on trying new challenges in their learning but also being able to translate that to outside of the classroom.
