

Principal's Message

We have been celebrating Arts Week at Ark Conway this week and what a delight it has been to see pupils being creative, working collaboratively and at times getting rather messy! The theme of this year's Arts Week has been 'Imagine it's 2030' and pupils have worked together to create a wonderful stop motion animation film. We will be sharing this with you very soon so do keep your eyes peeled for that!

As many of you know, we unfortunately have had to close the Year 5 bubble this week. Whilst this has of course been a real challenge for pupils and families, it has been amazing to see the participation in remote learning. Thank you to Miss McKenzie and Mr Okocha for planning great lessons and even including remote Arts Week for Year 5!

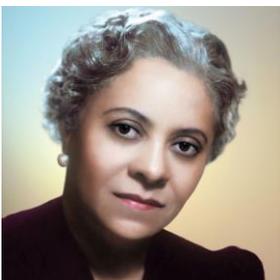

Alongside Arts Week, we have also been able to fit in time for many Year 6 pupils to take part in Bikeability, a fantastic cycle training which teaches pupils all of the necessary skills for cycling safely on roads. Pupils have modelled such maturity, so a huge well done Year 6!

Finally, I'd like to invite you all to join an exciting launch that will be taking place next week! See the details in the notices below.

Have a great long weekend everyone.

Home Learning

Please share all home learning work on Seesaw. You can find more information about Seesaw by following this link: [Seesaw home learning](#).

Reception: Create a pep talk for the England football team. You could: write it down, perform and record it, or present it in any other way you wish!

Year 1: Create a pep talk for the England football team. You could: write it down, perform and record it, or present it in any other way you wish!

Year 2: Write a letter to the England football team congratulating them for getting into the final!

Year 3: This week we have celebrated Arts Week. Have a go at making your own stop motion film on one of the topics we have studied this year. Use the website www.cloudstopmotion.com or similar and upload your finished video to Seesaw.

Year 4: Research one of the 50 US states and display your findings in a creative way.

Year 5: Find a poem that you like and would like to share with the class.

Year 6: Practice the songs for our production (they have been uploaded onto Seesaw!). The children should also be continuing to learn their lines for the play.

Notices

Exciting Announcement!

We invite all parents to join Mrs Ross-Wood and Mr Elliott for an exciting launch taking place on Wednesday 14th July from 9:00am – 9:30am on Microsoft Teams. We are announcing this launch to children on Monday so do ask them if you want a sneak preview!

E-Safety Workshop

Thank you to all parents who attended our workshop to find out more about how to support your children to stay safe whilst working online. If you were not able to attend and would like to watch the recorded version of this session, we will send the link out to all parents soon.

Facebook and Twitter

We have seen that more and more parents are following our Facebook page so thank you for your support! The children love seeing if parents have 'liked' a post so please do have a look and like our posts too! This week you'll be able to find out where our amazing garden produce is heading...
