Head's Message

A rich curriculum! That's the experience children at Ark Conway have been living this week. Year 4 have been reliving the British Roman experience. They visited the Roman Amphitheatre near Guildhall and took part in an immersive workshop involving plenty of drama. They also luckily stumbled upon an art exhibit for the England football team as they prepare for the next World Cup. Take a look at the photos!

Year 1 have also been out and about exploring their local area. Part of providing the children with real-life experiences each class each year have some challenges to complete such as, visit a university or paper free days. Year 1's adventure challenge is to go Welly Wandering. So, they visited Wormwood scrubs to find some puddles to wander through!

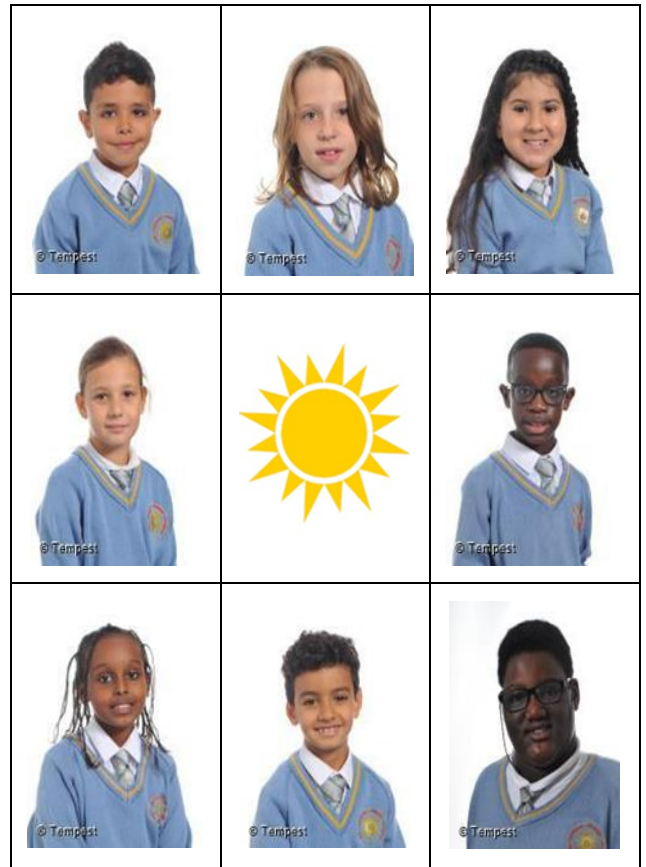

Year 6 have finished their intensive swimming course. I was lucky enough to join them on Wednesday and it was so lovely to see the children enjoying their swimming and working on the different strokes. They were also practising how to call for help and rescue other swimmers in trouble which is a vital part of being a safe and competent swimmer.

Also, a huge well done to the children for showing respect during the week of Remembrance day. The children have been showing respect in 3 different ways: Grateful for their opportunities in education; donating to support those who have given so much and through a moment's silence today.

Reception: This week, we have been practicing our class story, 'Peace at Last'. Which part of the story is your favourite and why?

Year 1: We have been looking at the change in seasons. We want to know what is your favourite thing to do in the autumn

Year 2: This week we have been learning about materials. How many different materials can you find around your home? Record your ideas in any way you like.

Year 3: Practise your lines and the song for our assembly next Friday.

Year 4: Can you create an illustrated map of a typical Roman town? What were the main buildings that were used?

Year 5: Research a Viking god or goddess. Share your findings in a creative way!

Year 6: Research what makes a good global citizen. What advice would you give someone who wanted to be a good global citizen, what actions could they take?
