

Ark Conway Primary Academy

60 Hemlock Road, London W12 0QT T 020 3249 1180

Principal's Message

The theme of this newsletter is going to have to be **Graduation**. In the past week, we have seen not one, not two but three graduations! The hattrick of graduations actually began on Friday which was a graduation for adults. Miss Clark and Miss Williams took part in their teacher training graduation. We are so thankful for their hard work this year and cannot wait to see the inspirational journeys they take their classes on next year.

We also saw our youngest children graduate from Reception. They put on an absolutely cracking show including an old pop hit about 'Reaching for the Stars' which sums up their **aspirations** at Conway. A special thank you to Miss Sira and the Reception team for a wonderful event.

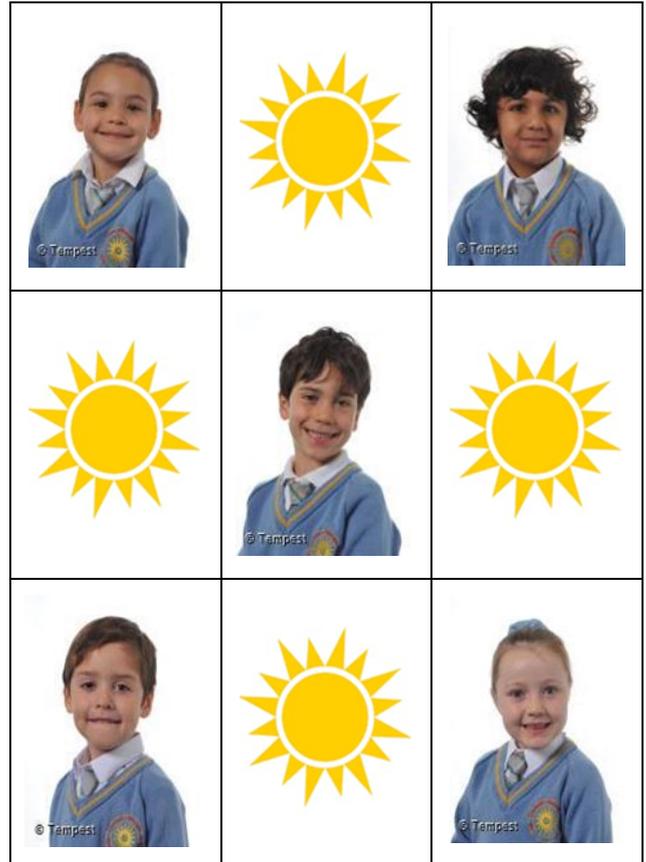

Finally, we saw our oldest children graduate from Ark Conway Primary. The journeys our Year Sixes have been on is unprecedented. Yet they were still able to blow us away with their maturity, hard work and character. We are very happy to be keeping you for a little longer and look forward to celebrating with you more next week.

Stars of the Week

For showing our school value of **Perseverance**, this week our stars of the week are:

This week the attendance figures are:

1 st	Angelou	97.33%
2 nd	Farah	95.00%

Andrew Lloyd Webber

Home Learning

Please share all completed home learning work on Seesaw. You can find more information about Seesaw by following this link: **Seesaw home learning.**

Reception: Check the weather forecast for next week and explain how to protect yourself (children) from the heat waves ?

Year 1: Imagine you went to a tropical island like Hawaii, can you write a postcard of all the beach activities you did there? Ch. Can you use your historical knowledge of a beach to write postcard from the past.

Year 2: What was your favourite moment of Year 2? Be ready to share in class.

Year 3: This week, we went to the British Museum to learn about Ancient Greece. What was your favourite part of the day and why? Present your findings in any way you would like.

Year 4: Now that we know more about the geography of the United States, can you redo your road trip from our Wonder Day? What landmarks, physical or manmade, would you visit? Where are you flying to and from? What are you driving? Represent this any way you'd like

Year 5: Was the Industrial Revolution in Britain more positive or negative? Share your persuasive argument in a creative way.

Year 6: Take the time to reflect on the journey you have taken at Ark Conway. Present your favourite memories, proudest achievements, and funniest moments in any way you would like.
