Principal's Message

It has certainly been a week of ups and downs at Ark Conway this week, although I am thrilled to say that we have ended on a high. Earlier this week, we had to break the news to Year 6 that they would need to isolate due to a positive lateral flow test result. However, yesterday we were delighted to receive the news that the follow up PCR test was negative and so all of the pupils could return to school! It was wonderful to see all of Year 6 joyfully coming into school this morning with a spring in their step and even more so because they were wearing their costumes for their end of year show that they have been filming today! The recording will be shared next week – we hope you enjoy it!

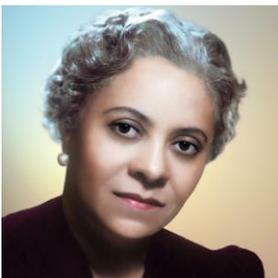

Year 6's resilience throughout this week has shown just how ready they are for their move to secondary school. We are so proud of you, Year 6.

Another high this week was sharing the news of our Digital Strategy with parents and children in Years 2,3,4 and 5. Every single child in these year groups will receive a device next week to support their learning. Do read the letter coming home today to find out when to collect yours!
