

Head's Message

What a year. We truly have pulled together as Staff, Pupils and Parents to achieve lots of excellent things. Our hard work is evident in our children's outcomes as our results in EYFS, Phonics, KS1, Multiplication check and KS2 have been exceptional. We also had **exceptional experiences** this year: We've watched ballet; been to the Royal Albert hall; conquered two theme parks; walked the Peak District; Been to Bath and back; graduated Reception and Year 6; visited museums and parks; smashed STEM day; won sports day; raised money for charities and so many more!

We also have to say goodbye to some excellent people. **Mrs Faupel** has been an outstanding teacher and leader at Ark Conway for many years. She truly believes in the potential of your children and has worked so hard to make sure they get there. **Miss Sira** has been an essential part of the Conway experience for our children, her warmth and care have helped our children flourish. **Mr Holbrook** has been so important to the journey of our Year 2 class but has also helped so many of our children over the year and we thank him for his support. Also, **Danielle**, the head of our parent teacher forum, has worked incredibly hard with our parent community to make sure that our inspiration of excellence extends beyond the classroom.

A huge thank you and good luck to our **Year 6** pupils. I hope you enjoy celebrating your journey at your Disco and Performances.

I hope you all have a restful summer holiday. We have certainly all earned it, especially after our record-breaking 39°C day on Tuesday! I cannot wait to see you all come back through the School gates in September ready to carry on our aspirational journey to be the best learners we can be. Happy holidays everyone.

Dates for your Diary

Next year:

Thursday 1st September 2022, Friday 2nd September 2022, Monday 5th September 2022 – *INSET days (school closed for pupils)*
Tuesday 6th September – *First day back at school*

Whole School: Have a restful holiday and look after your adults and families. Keep your skills sharp by reading daily and keeping up with your mathematics!
