

# Ark Conway Primary Academy

60 Hemlock Road, London W12 0QT T 020 3249 1180

## Head's Message

It has been another exciting week at Ark Conway. The week started with pupils in Reception, both at home and in our Community Classroom, following Miss Bridges in her exciting online lesson and learning to make butter as a result! Before this week, I didn't actually know how to make butter so I have learnt something new too!

We have then ended the week with our first ever Virtual Assemblies! It was fantastic to see all of the children's smiling faces and to celebrate the hard work that they have been doing in recent weeks with well-deserved Star of the Week awards and Excellent Behaviour awards.

In these assemblies, we set you all our first challenge to... **Build a Den!** We are very excited to see your photos of your den. Please send your photos to [info@arkconwayprimary.org](mailto:info@arkconwayprimary.org) and we will share them in assembly next week!

Today, Year 3 had an extra special day as they had 100% attendance in every single one of their classes! Well done Lewis Class you superstars!

Have a lovely and safe weekend everybody.

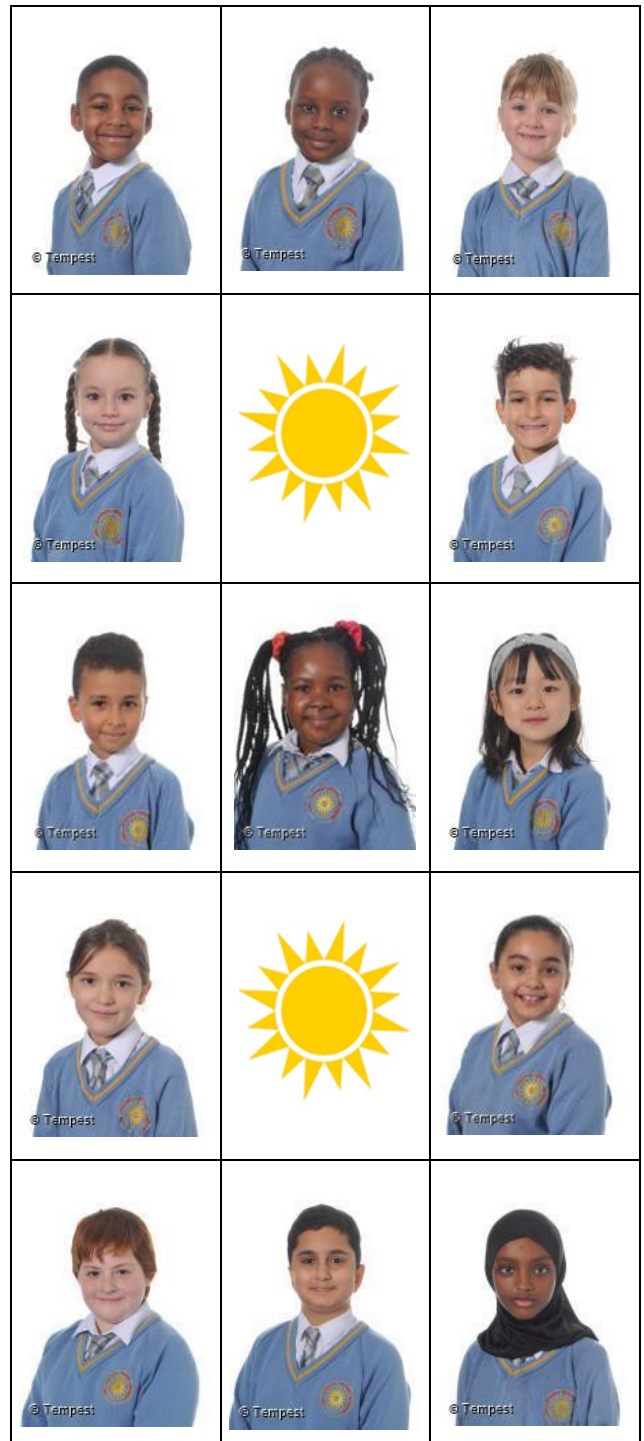

## Artist of the Term

This term we are celebrating an artist called Quentin Blake. We hope you can spend some time away from your laptop screens to re-create some of his inspirational illustrations.

## Stars of the Week

For showing aspiration our stars of the week are:

## Dates for Your Diary

### *This term...*

We are delighted to announce the first ever Ark Conway Virtual Poetry Slam! You will have received a letter with more details this week so do take a look at that. Each child will need to learn a poem and upload their recording by 4pm on **Monday 1<sup>st</sup> February**. We can't wait to see the children doing their poetry performances!

## Notices

### Riddle of the Week

Each week our Student Council share a riddle. If you think you know the answer to the riddle below, write it down on a piece of paper and share it with your class in your live lesson on Monday!

**It belongs to you, but your friends use it more. What is it?**

### Caught Being Kind

This week a number of pupils have been **Caught Being Kind** by using the emojis on Microsoft Teams to respond to work completed by their friends to say well done via smiley faces and thumbs up! We are loving seeing how many people are praising their friends.

### School Closure Information

You will find the latest information about school closure and remote learning by following this link to our website:
