## Head's Message

Welcome back to school everybody! I hope you had a very enjoyable Easter break and that you could make the most of the sunshine.

As we begin the summer term, it is with high hopes that we will be able to do some of the usual school events that would take place in this term. We are in the process of planning these to ensure that they are of course all maintaining safety with regards to Covid-19. Do look out for upcoming dates in the diary (see overleaf) each week, further information to follow.

This week, four of our classes had the delight of watching a recorded version of a live performance of *The Lorax*, filmed at The Old Vic theatre! It was wonderful for the children to feel immersed in the land of theatre and has made us all very hopeful for a real trip to the theatre in the not too distant future!

Finally, I am thrilled to announce that Mrs Faupel is expecting a baby in Autumn. We will be sharing details of how her role will be covered in due course. In the meantime, I'm sure you'll join me in congratulating Mrs Faupel and her family on this happy news.

Have a wonderful weekend everyone.

## Home Learning

Please share all home learning work on Seesaw. You can find more information about Seesaw by following this link: [Seesaw home learning](#)

**Reception:** Tell me what you know about products that come from bees. Can you find any in your house? Present your findings any way you wish and upload to Seesaw!

**Year 1:** Can you make a fact file about Scotland? Are there any interesting things that Scottish people do? Upload to Seesaw!

**Year 2:** Can you use coins to buy something in a shop? How many ways could you have bought that item? Can you create your own shop at home with the items labelled?

**Year 3:** Choose one of the climate zones we have learnt about this week and find out as much information about it as you can. What do you think it would be like to live there? Upload a photo of your work to Seesaw.

**Year 4:** Research an Ancient Maya city. Display your findings in a creative way!

**Year 5:** Create a retelling of the Cinderella story. You can make a twisted retelling, or keep it true to the original. You might even want to create your own illustrations to go with it.

**Year 6:** What does longitude and latitude tell us? How are they used in the real world? Present your findings in any way you wish and upload to Seesaw ready for Friday's home learning session.

## Notices

### Ark Conway Talent Show!

We are launching the first ever virtual Ark Conway Talent Show, taking place this term! Please see the letter sent home last term for more information. The first stage is for all pupils to record and upload their act to Seesaw by Wednesday 5<sup>th</sup> May! They can perform alone, in pairs or as part as a group. We can't wait to see the shows!
