## Principal's Message

What a great week to start being a Head of School. I've been so impressed by the level of **respect** being shown around the school in honour of us 'Getting the basics right.' The children have put a lot of effort

into moving around the school respectfully and looking after our communal spaces at Conway. Amidst lots of travel disruption, Reception and Year 2 still managed to complete school trips this week showing great **perseverance** when travelling to their trip destination. Reception had a

wonderful time at Holland Park ecology centre where they spent time hunting for minibeasts, pond-dipping for aquatic creatures and even managed to get some time in the adventure playground! Year 2 also visited Holland Park but for a very different reason. They went to watch the opera! The children were particularly impressed with the volume and pitch that the professional singers were able to reach. Also, I'm sure you will all join me in wishing **Mrs Hardingham** the very best on her maternity leave. She is a highly valued member of our team at Conway and the staff and children will miss her greatly.

This week I have also been lucky enough to have a helping hand from last week's talent show winners: Natalia, Taraneh, Margot and Sofia AKA the 'Revoltin' Children' and they would like to exercise their power by adding to this week's newsletter!

## Principal's for the day Message

We think the newsletter needs a **joke!** So here it is:

Why did the ketchup blush? *Because it saw the salad dressing!* 😊

Jokes are great but so are **cat pictures** so we've also added one of those! Take a look.→

## Home Learning

Please share all completed home learning work on Seesaw. You can find more information about Seesaw by following this link: **Seesaw home learning.**

**Reception:** If you were the Queen, what change would you make to the world? Why?

**Year 1:** We have been looking at division in class, How many numbers between 1-50 have more than 4 different ways they can be divided equally. E.g. 12 can be divided by 1,2,3,4 and 6.

**Year 2:** This week we visited the opera. What was your favourite instrument? Can you find out anything else about it?

**Year 3:** Next week, we will be learning about Athens in history. Research modern day Athens and have a look at the differences between now and then in Ancient Greece.

**Year 4:** Choose a physical landmark of the USA to present about. You could create a presentation, another travel brochure, or even a physical model of the landmark. It cannot be a manmade landmark!

**Year 5:** Research an abolitionist who stood up against slavery. Show your findings and way you’d like!

**Year 6:** Highlight and start learning your lines in the script and songbook. Can you design a costume for your character?
