Head's Message

Happy Friday everybody!

Today I have had the pleasure of hosting six 'Excellent Behaviour' parties! These parties celebrate just some of the pupils (we know there are many more across the school!), who go above and beyond in showing exemplary behaviour at all times of the day, both in the classroom and in the playground, even when adults aren't looking! Teachers have also enjoyed making 'Phone Calls of Excellence' to share positive news. We hope you have enjoyed these if you have received a call.

Lewis Class, the school has felt very quiet without you this week! Once again though we have seen your resilience and determination to succeed in your learning, no matter what. We can't wait to see you back in school on Monday. If you have won a behaviour award this term, you'll be pleased to know we haven't forgotten you and you will be having your party next week!

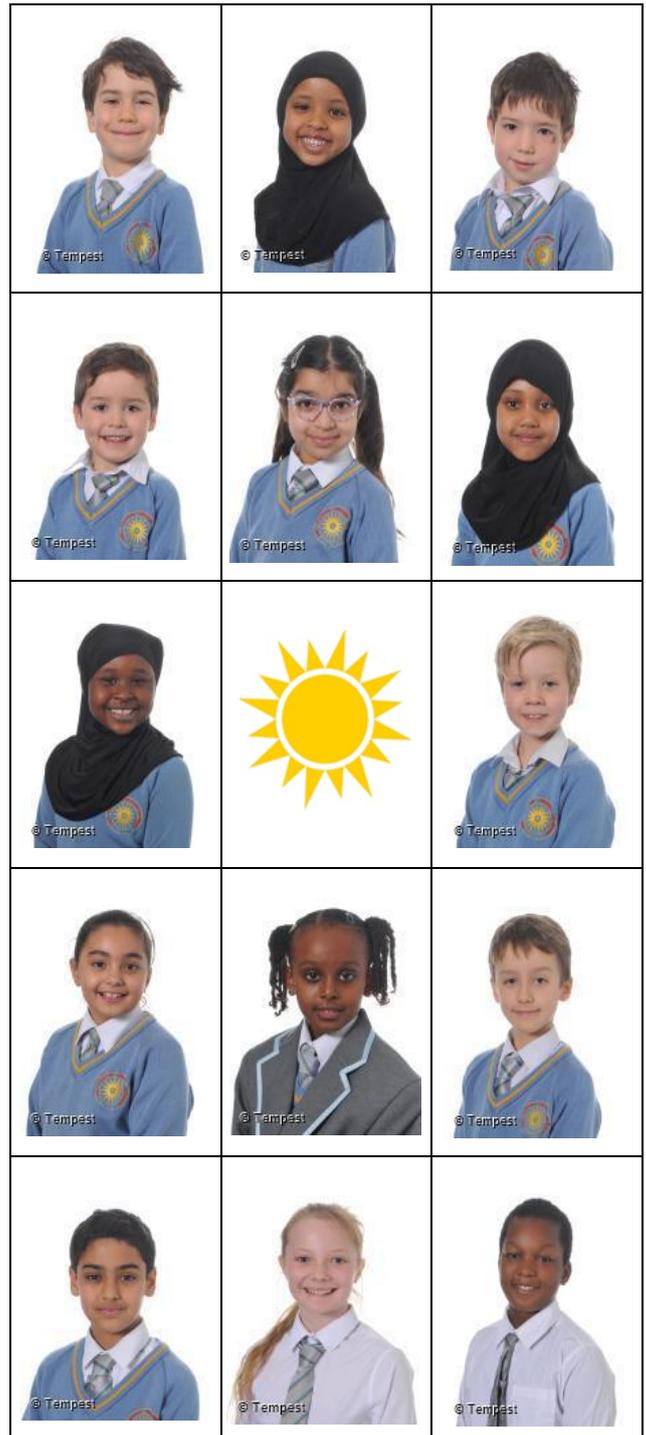

Looking forward to next term, we are thrilled that we will be running After School Clubs once again. You should have received a letter about this earlier this week so please do get in touch with the office by completing the response form in order to secure a club place for your child.

Finally, we raised £272 last week for Red Nose Day! Well done to everyone for taking part and thank you so much for your generous contributions, these will be much appreciated by the charities and people that benefit from Red Nose Day.

Have a lovely weekend Ark Conway.

Home Learning

Please share all home learning work on Seesaw. You can find more information about Seesaw by following this link: [Seesaw home learning](#)

Reception: We have been learning about the different landmarks that we can find in London. What landmarks let you know you are near your house? Present your findings however you wish and upload your work to Seesaw!

Year 1: Of all the modes of transport we've learnt about this term, which would you most want to use and why?

Year 2: If you could choose a continent to live in, which one would it be and why?

Year 3: This week we learnt about life in Rome. Research what life is like in another European city. How does it compare to life in Rome and life where

you live? Present your research in any way you like and upload it to Seesaw.

Year 4: What is sound? How can you make sound? Share your findings in a creative way!

Year 5: If you were applying for university tomorrow, what course would you be most interested in studying?

Year 6: Research an animal that is extinct. How did it become extinct? Present your findings in any way you like and upload them to Seesaw.
