

Head's Message

As the end of term rapidly approaches, Year 5 have re-joined us back at school. It was great to see the enthusiasm with which they returned this week.

Last week Year 3 returned for a short session at school and they had a thoroughly good time. This week the remaining Year 3s, and Year 2 also had the chance to return for story time and games with Mr Elliott and Mr White. Yet again, the children loved their sessions and we loved having them back in school. Next week will be the turn of Year 4, and invitations have already been sent to all Year 4 parents.

We will also be sending further invites for Years 2 and 3 to attend another story session next week. For the remaining weeks, we would like to invite Year 2, 3 and 4 on a weekly basis. Please keep an eye out for the letters.

Please remember that our community classroom is still open for children of key-workers, or those who are deemed vulnerable and not in years Reception, 1, 5 or 6. If you would like a place then please contact the office or email info@arkconwayprimary.org Booking is essential as you will not be allowed to join the class otherwise.

Important Changes

There are no major changes to our provision this week, as all year groups that have returned will continue to run.

With the weather becoming warmer though, we are asking all children to bring sun-cream to school so that they can apply it during their breaks. We will encourage them to use the shade and to drink plenty of water. In order to minimise any risk, please can children bring sun-cream in a bottle marked with their name. They will keep the bottle with them and will not be able to share with other children.

Ark Sports Day Challenge

Look out for further information today about our Ark Sports Day Challenge that we are taking part in, running to Normandy and back as a school. Sign up, donate and get moving!

Guidance

During these unusual times, it is essential that we are all sticking to the guidance. I have included the link for what to do in the case of suspected or confirmed cases of Covid-19 [here](#). It is also essential that parents let the school know if their children are classed as [Clinically Extremely Vulnerable](#) or [Clinically Vulnerable](#). Guidance can be found by clicking on each category.

Facebook and Twitter
