

Ark Conway Primary Academy

60 Hemlock Road, London W12 0QT T 020 3249 1180

Principal's Message

Today we have had an early celebration for the Queen's Platinum Jubilee! Children (and staff) have had fun dressing up for the day and have been finding out more about the Queen and how many of

our school values she has shown during her life. Thank you to the Year 6 parents for putting on a cake sale to end our special day!

This week, the youngest pupils in our school, Farah Class have shown our school values in abundance whilst embarking on their swimming journey at Ark Conway. They have been swimming every single day this week and have made such fantastic progress. Thank you so much to all of the parents who have volunteered, it has made the daily outings possible and thank you in advance for any parent supporting us during the week after half term too.

As we move into our final half term of this academic year, we are really looking forward to a huge range of events taking place, including multiple trips, Ark Conway Summer Fair, Sports Day, graduations and Year 6 leaving events!

Wishing you all a very enjoyable half term holiday!

Composer of the Term

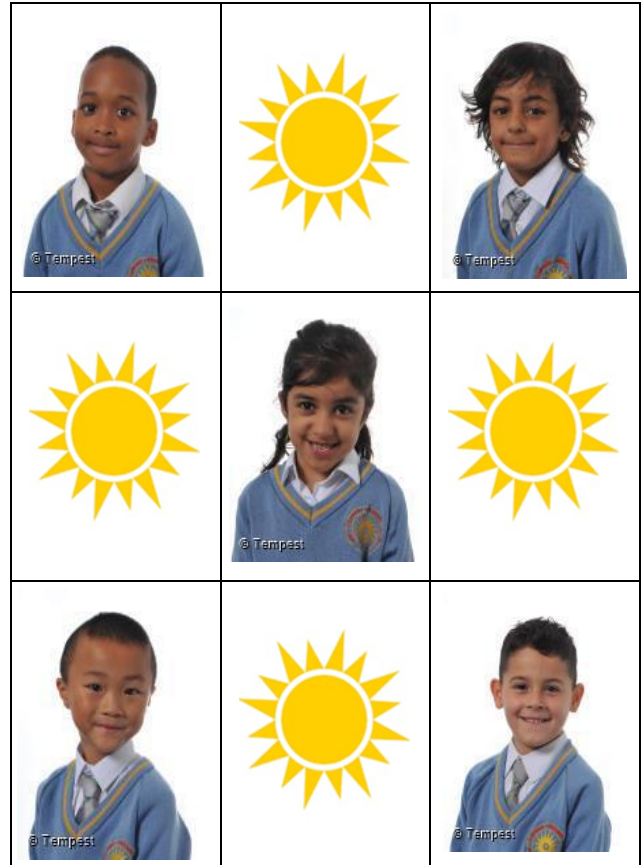

Our composer for this half term is:

Andrew Lloyd Webber

Stars of the Week

For showing our school value of **Perseverance**, this week our stars of the week are:

This week the attendance figures are:

1 st	Angelou	99.00%

Home Learning

Please share all completed home learning work on Seesaw. You can find more information about Seesaw by following this link: **Seesaw home learning**.

Reception: How can you help our environment? You could put up a picture of you doing something to help our planet or draw a picture with some ideas. Upload your ideas to Seesaw!

Year 1: Can you create your very own fancy mermaid outfit in preparation for our target text next term.

Year 2: What can you find out about Kenya? Use your discovery box for ideas!

Year 3: This week, we visited an area of deciduous forest and looked at some of the impacts of deforestation. What are some of the arguments for and against deforestation?

Year 4: What happened to the Ancient Maya in 1500AD?

Year 5: Where can you go in the UK to see evidence of the Industrial Revolution? Present your findings in a creative way!

Year 6: Next term our topic is 'Making your Mark' and learning about how to stand up for what you believe in. Create a presentation on your chosen topic, ready to show to the class.
