Principal's Message

Hello Ark Conway!

This week, our Year 2 children went on an excellent and somewhat smelly (!) trip to the Western Riverside Waste Authority. This built on the learning that they have been doing in class and in the words of the children:

"It was really interesting to see recycling machines working fast to recycle the rubbish" Emir

"It has inspired me to use the 3 R's – Reduce, Reuse, Recycle" Jai

Year 2 have also taken their learning beyond their own classroom and have introduced a school wide recycling scheme for every class to take part and increase how much they recycle!

We were also lucky enough to be treated to the Year 4 class assembly – the first class performance we have had as a whole school in more than two years! Year 4 showed us just how much they have been learning and showed such confidence. Well done!

Have a lovely weekend everyone.

Composer of the Term

Our composer for this half term is:

Hans Zimmer

Stars of the Week

For showing our school value of Honesty, this week our stars of the week are:

This week the attendance figures are:

1 st	Nightingale	96.55%
2 nd	Farah	95.20%
3 rd	Angelou	94.67%
4 th	Attenborough	94.48%
5 th	Ali	88.97%
6 th	Earhart	88.10%
7 th	Obama	86.55%

Friday 20th May – Year 3, Year 4, Year 5 and Year 6 assembly – Reception class performance

Friday 27th May – Reception, Year 1 and Year 2 certificates – Queen's Jubilee assembly

Home Learning

Please share all completed home learning work on Seesaw. You can find more information about Seesaw by following this link: **Seesaw home learning**.

Reception: Can you do something kind or helpful as a family? Some ideas are to visit an elderly neighbour, help litter pick, bake a cake for a friend or send a card to someone.

Year 1: Practice your lines for the upcoming class assembly. Pretend you are a meteorologist and write your very own weather forecast for the upcoming week.

Year 2: This week we visited the recycling centre. How can we recycle more waste? Present your work in any way you like!

Year 3: Pick a type of fauna (animal) found across the world. Find out which biome it lives in and how it has adapted to life on this biome. Present your findings in any way you would like.

Year 4: Who were some of the Ancient Maya gods and goddesses? How are these different to modern day religions?

Year 5: In health, we have been learning about eating well and having a balanced diet. Plan a delicious but balanced three-course meal, noting the ingredients you would need to use and the nutrients you would get from each part. Be creative!

Year 6: Create a motivational speech/video/poster or piece of your choosing for your friends to help them realise it's the amount of work that determines the results!
