

Physical Development

This term we will be building our physical development through forest school! During this time, we will play a range of games, climb trees and enjoy exercising surrounded by nature.

Through our learning about the Olympics and Paralympics, we will build our knowledge and interest of different sports and learn the fundamental skills that will make champions in those areas!

Some of the sports we will explore:

- Rugby
- Athletics (track and field)
- Rhythmic and Artistic Gymnastics
- Sitting volleyball
- Boccia

Personal, Social and Emotional Development

We will be building on our previous learning around our school value of Respect, talking about what this looks like in sport and competitions. We will learn how to display good sportsmanship.

We will also be talking about our valuer of Perseverance and how this relates to learning a new skill or sport.

In preparation for our graduation, we will be talking about what makes us Champions and celebrating all our amazing achievements in our first year at Primary School.

Finally, we will be exploring the Olympic values through circle time, exploring what each word means and how we can show these traits through our day-to-

Expressive Arts and Design

During 'free-flow' pupils will have the opportunity to explore a range of media. This will include:

- Junk modelling– making Olympic torches form items in our creation station
- Collage– using collage to design our own flags and medals
- Painting and DT– making our own moving portraits of ourselves taking part in sport!

We will also continue with our singing and recorder lessons, where we are starting to learn to read music!

This term we are asking:

What Makes a Great Champion?

Understanding of the World

This term, with the upcoming Olympic and Paralympic Games in Tokyo, we will be learning all about what it means to be a champion, both within competitive Sport as well as other areas of our lives.

Through this topic, we will learn:

- The difference between exercise and sport, using this criteria to sort different activities
- About a range of Olympic sports, their rules and the skills needed to take part in them.
- About the history of the Olympics, and the meaning behind the Olympic torch.
- What the Paralympics is, how this relates to perseverance.
- Exploring the diet of an Olympic champion and comparing this to our own diet

In our Seasons work with Miss Sira, we will be looking out for signs of Summer in nature!

Literacy

Phonics Lessons

We will be continuing with the Read Write Inc. program, building our knowledge of 'special friends' (digraphs) and strengthening our blending skills to read even bigger words! We will also continue to learn to sight read 'red words' (words that can't be read using our Phonics).

Literacy Lessons

This term we will be focussing on poetry, starting with the poem 'We Love Sport'. Through this, we will explore all the different verbs we can use to describe actions in Sport, before moving on to learn about alliteration.

We will end by writing our own poems with the title 'Carroll Class Sports' to showcase all we have learned through our topic.

Maths

We will be putting all our hard work on numbers to work when we learn about a whole new concept: money! We will be learning to:

- Recognise the value of different coins
- Add coins of different values together to make new values, up to 10 20p
- Learning about change for values up to 10p.

We will then move on to deepen our knowledge of measure, looking at ways to record and compare length, capacity and weight.

Homework

Please continue to look at the home learning set in the newsletter and upload your child's work to See-saw. Please also continue to read with your child every night as this will have the most impact on their reading development. Thank you!
